Dan Decker, Provided an update regarding the details of his ongoing court proceedings.

Jennifer Jones, Requested clarification from the Police Department regarding their procedural interactions with Federal Immigration Authorities.

### VI. Council Open Discussion

**Councilmember, Baldwin:**

**Buoy Agenda Bill:** Discussed the delay of the buoy agenda bill and inquired about budget discrepancies. Chief Financial Officer Reiersen clarified that the items lacked formal Council authorization for the General Fund, but confirmed the issue is being rectified.

**Legislative Videos & Ad Hoc Committee:** Proposed creating public-facing videos to highlight legislative priorities and suggested forming an ad hoc committee for this purpose. The Council reached a consensus to produce the videos in rotating groups of three members, allowing each to speak on the specific topics they are most passionate about. In response to Council inquiries regarding further requirements, Assistant to City Administrator Harris advised that the primary remaining task is to establish the schedule.

**Councilmember Fullerton:**

**Point of Order & Council-Staff Relations:** Raised a point of order reminding the Council of their previous vote to follow Robert’s Rules of Order, specifically the requirement to address the Mayor to set a professional tone. Emphasized that while Council must be direct when seeking information on the budget, Public Works, etc., conversations must remain professional to ensure staff do not feel pressured or directed. It was noted that the Council’s role is to create laws and ordinances, not to manage staff, and that improving the "unapproachable" disconnect between the two groups requires listening to staff expertise rather than attacking the speaker.

**Deputy Mayor Swatman:**

**AWC City Action Days:** Commended the strong attendance of the Council and the Mayor at the recent AWC City Action Days.

**Parks Board Inquiry:** Inquired about the necessity of a dedicated Parks Board. Public Services Director Sullivan explained that previous boards, such as the parks, were consolidated into the current Planning Commission.

**VII. Workshop Discussion Items**

- A. **Review of Council Minutes:** January 13, 2026, City Council Meeting And January 20, 2026, City Council Meeting.  
The draft minutes were forwarded to the 02/10/2026 Meeting for approval.

**VIII. Executive/Closed Session**

None.

**IX. Adjournment**

**At 6:48 p.m. the Meeting was adjourned by Mayor Carter with the common consent of the City Council.**

**Full Title/Motion:** A Motion of the City Council of the City of Bonney Lake, Pierce County, Washington, To Approve A Quote For Installation Of Two (2) OneWeb Satellite Systems At Public Safety And Victor Falls Pump House.

**Short Background Summary:**

In 2025, Emergency Management installed a OneWeb satellite system at the Public Services Center for redundant internet and cellular connectivity in the Emergency Operations Center. This year, Emergency Management has proposed installing one additional OneWeb satellite system at the Public Safety Building to increase internet and cellular redundancy. Concurrently, Public Services is looking for alternatives to DSL internet at system critical utility locations. DSL service disruptions are increasingly problematic due to copper cable theft. Public Services has proposed installing a OneWeb satellite system at the Victor Falls Pump house as a proof of concept for SCADA (Supervisory Control and Data Acquisition) communications. Initial costs for two new OneWeb satellite systems, site survey, installation and one year of service totaled up to \$21,985.00 with ongoing annual service being up to \$2,760/yr/satellite connection (year 2 and beyond). As these two satellite system projects were not specifically called out in the 2026 budget, staff are bringing forth this motion for council approval. Finance Committee met on February 10th, unanimously approving this item for placement on the February 17th consent agenda.

---

**Budget Explanation:**

Public Services has sufficient funds in the 2026 budget to cover the proposed purchase using account 401.30.034.534.5345048.548030.

Emergency Management has sufficient funds in the 2026 budget to cover the proposed purchase using account 001.10.013.525.5256035.535060.

---

No additional budget authorization is requested for these projects.

## Executive Department Memorandum

**Memo Date:** February 11, 2026

**Staff Contact:** Leslie Harris, Assistant to the City Administrator

**Title:** Murrey's Disposal Annual Notice of Rate Adjustment

---

In 2004, the City signed an agreement with Murrey's Disposal laying out the terms and conditions of service, including allowances for rate increases. This agreement was amended in 2009, 2014, and 2022. The current 10-year agreement expires on December 31, 2032.

Per the terms of the agreement for the Collection and Disposal of Solid Waste, Recyclables and Yard Waste, Murrey's Disposal provided the annual Notice of Rate Adjustment under Section 4(a) – Annual CPI Adjustment, 4(b) – Tipping Fees/Rate Increases, and 4(d) – Rate Increase/Unforeseen Costs.

### **Notice of Rate Adjustment – March 1, 2026**

Rate adjustments to Section 4(a) – Annual CPI Adjustment and 4(b) – Tipping Fees/Rate Increases has been authorized under the agreement since 2004. Rate adjustments go into effect on March 1 each year.

Section 4(a) provides for an annual CPI adjustment equal to 100% of the change in the Consumer Price Index for All Urban Consumers, Water and Sewer and Trash Collection Services for the immediately preceding twelve (12) month period. One Hundred percent of the CPI change for this period is 4.83%.

Section 4(b) provides for disposal fee adjustments to be made to collection rates for all increases or decreases in landfill/disposal cost. Murrey's received notification that on March 1, 2026, the landfill rate in Pierce County will increase from \$184.99 per ton to \$195.32 per ton.

### **Action Needed: Application for Rate Adjustment to Reflect Unforeseen Costs Due to Enactment of Washington State Business and Occupation Tax**

Section 4(d) allows for the Contractor to apply to the City for rate adjustments to reflect unforeseen costs arising during the term of this Agreement. Murrey's Disposal is applying to request a rate adjustment to account for the unforeseen B&O tax increase, effective March 1, 2026, which aligns with its regular annual rate adjustment period.

During the 2025 legislative session, the State of Washington enacted a 0.35% increase to the Business & Occupation (B&O) tax rate for service-based businesses, effective October 1, 2025. While this change may not have a broad impact across all sectors, it directly affects Murrey's as a solid waste provider.

The monthly impact of the B&O tax pass-through is as follows:

- Residential customers: \$0.08 - \$0.30/month, depending on the level of service type
- Commercial customers: \$0.56 - \$13.73/month, depending on the level of service type

Other jurisdictions served by Murrey's which include the cities of Orting, Sumner, and Puyallup have approved the rate adjustment for the B&O tax.

A vote by the City Council to approve or not approve this application is needed.

Rates reflecting the disposal fee increase and changes to the Consumer Price Index (CPI) are detailed by level of service type in the attached exhibit. Also included is a rate sheet that incorporates the disposal fee increase, CPI adjustment, and the proposed B&O tax increase for your reference.

City of Bonney Lake  
John Vodopich, Community Service Director  
19306 Bonney Lake Blvd.  
Bonney Lake, WA 98390

Re: Notice of Rate Adjustment under Section 4(a), 4(b), and 4(d) of Amendment No.3 to Agreement for Collection and Disposal of Solid Waste, Recyclables and Yard Waste in the City of Bonney Lake

Dear Mr. Vodopich,

Section 4(a) of Amendment No.3 dated October 11, 2022, provides for an annual CPI adjustment equal to 100% of the change in the Consumer Price Index for All Urban Consumers, Water and Sewer and Trash Collection Services for the immediately preceding twelve (12) month period. One Hundred percent of the CPI change for this period is 4.83%

Section 4(b) of Amendment No.3 provides for disposal fee adjustments to be made to collection rates for all increases or decreases in landfill/disposal cost. We have been notified that on March 1, 2026, the landfill rate in Pierce County will increase from \$184.99 per ton to \$195.32 per ton.

Section 4(d) of Amendment No.3 allows for the Contractor to apply to the City for rate adjustments to reflect unforeseen costs arising during the term of this Agreement. During the 2025 legislative session, the State of Washington enacted a 0.35% increase to the Business & Occupation (B&O) tax rate for service-based businesses, effective October 1, 2025. While this change may not have a broad impact across all sectors, it directly affects Murrey's as a solid waste provider.

To address this, Murrey's Disposal respectfully proposes a rate adjustment to account for the B&O tax increase, effective March 1, 2026, which aligns with our regular annual rate adjustment period. We believe this approach provides transparency, predictability, and fairness for both the City and Murrey's Disposal.

The monthly impact of the B&O tax pass-through is as follows:

- Residential customers: \$0.08 – \$0.30/month, depending on the level of service
- Commercial customers: \$0.56 – \$13.73/month, depending on the level of service

Rates reflecting the disposal fee increase and changes to the Consumer Price Index (CPI) are detailed by level of service in the attached exhibit. Also included is a rate sheet that incorporates the disposal fee increase, CPI adjustment, and the proposed B&O tax increase for your reference.

We take pride in providing you with comprehensive waste collection, disposal, and recycling services. If I can answer any questions, please contact me by phone at (541) 335-1351 or by email at [stevenh@wcnx.org](mailto:stevenh@wcnx.org).
