Councilmember, Baldwin:

Buoy Agenda Bill: Discussed the delay of the buoy agenda bill and inquired about budget discrepancies. Chief Financial Officer Reiersen clarified that the items lacked formal Council authorization for the General Fund, but confirmed the issue is being rectified.

Legislative Videos & Ad Hoc Committee: Proposed creating public-facing videos to highlight legislative priorities and suggested forming an ad hoc committee for this purpose. The Council reached a consensus to produce the videos in rotating groups of three members, allowing each to speak on the specific topics they are most passionate about. In response to Council inquiries regarding further requirements, Assistant to City Administrator Harris advised that the primary remaining task is to establish the schedule.

Councilmember Fullerton:

Point of Order & Council-Staff Relations: Raised a point of order reminding the Council of their previous vote to follow Robert's Rules of Order, specifically the requirement to address the Mayor to set a professional tone. Emphasized that while Council must be direct when seeking information on the budget, Public Works, etc., conversations must remain professional to ensure staff do not feel pressured or directed. It was noted that the Council's role is to create laws and ordinances, not to manage staff, and that improving the "unapproachable" disconnect between the two groups requires listening to staff expertise rather than attacking the speaker.

Deputy Mayor Swatman:

AWC City Action Days: Commended the strong attendance of the Council and the Mayor at the recent AWC City Action Days.
